

How Does 'Beat The Boss' Work?

-  *BTB is a separate stand-alone competition from the season long AFL / NRL super tipper competitions.*
-  *The objective is to tip more winners than the venue 'Boss' to win a prize in a round of AFL / NRL footy. Hence, BTB is not a cumulative score tipping comp.*
-  *BTB tips are NOT transferable to the AFL / NRL Super Tipper competitions.*
-  *The venue 'Boss' will receive the Home Teams if they fail to submit tips for a round.*
-  *Only 1 BTB entry per member per round is permitted.*
