

# ANZAC DAY

The background of the poster is a deep blue with a subtle, wavy texture. Large, vibrant red poppies are scattered across the image, some in the top right corner and others at the bottom. A brown fedora-style hat with a red poppy pinned to its band and a small gold emblem is positioned in the upper middle section. On the right side, a bronze statue of a soldier in a trench coat and hat, holding a rifle, is partially visible.
